### UNIVERSITY TEACHING EXPERIENCE

**2020 – 2022**

**University of Maryland, College Park:** *Co-Professor, College of Education and the Office of Diversity and Inclusion: CHSE 338*

Designed and facilitated quarterly courses for the Office of Diversity and Inclusion and College of Education's Words of Engagement Intergroup Dialogue Program (WEIDP), engaging 200+ students in critical discussions on gender, sexuality, race, and citizenship, fostering inclusive dialogue and cross-cultural understanding; Developed and delivered both in-person and virtual courses, curating diverse and intersectional reading materials and multimedia resources to

enhance interactive discussions on identity, privilege, and systemic inequities, achieving a 95% student satisfaction rate.

**Spring 2020**    **University of North Carolina at Charlotte:** *Teaching Assistant, Curriculum and Instruction, Teaching English as a Second Language: EDCI 6204 Multicultural Education:* This master's level course assists teachers and other school staff in the development of skills in multicultural curriculum, design and delivery. It examines issues of power, race, class, and privilege that affect the educational success of English language learners and other diverse student populations in today's public schools and addresses the need to develop instructional practices that infuse critical multicultural education into the curriculum.

## RECENT WORK EXPERIENCE

**2021– Present**    **Booz Allen Hamilton, Inc. (Washington, D.C.):** *Senior Learning Analyst:*  
Serve as a Curriculum Development SME and Lead Personnel for federal youth (age 16 – 24) workforce development contracts, supporting clients in designing and implementing equitable career pathways in alignment with local, regional, and national industry needs; Conduct national research and data analysis on holistic workforce training methodologies, assessing program effectiveness across 15+ federal workforce initiatives, leading to 20 – 40% increases in enrollment and participation rates; Design and implement policies and strategic plans to increase credential attainment and participant enrollment/retention, ensuring compliance with key federal workforce regulations and overall agency goals; Oversee the development of a streamlined, inclusive application process for advanced technical training programs, expanding program participants' access to higher-paying career fields; Facilitated 20+ site visits to contracted job training sites on behalf of federal clients to strengthen agency relationships, assess program effectiveness, and identify on-the-ground challenges and successes

**2019– 2021**    **Johnson C. Smith University (Charlotte, NC):** *Scholarship Coordinator:*  
Secured \$500,000+ in external scholarships and grants, expanding student access to non-university-sponsored funding; Provided personalized scholarship assistance to 250+ undergraduate students, increasing overall applications and awards; Led outreach initiatives, enhancing campus-wide scholarship awareness through workshop; Assisted in expanding the Freshman 40 Experience program, supporting first-year students in navigating campus life and utilizing available resources.

## ADDITIONAL TEACHING & ADVISING, & RESEARCH HIGHLIGHTS

**2018– 2021**    **University of North Carolina at Charlotte:** *Graduate Research Analyst, Department of Middle, Secondary and K-12 (part-time):* Analyzed education datasets at district, state, and national levels, co-authoring publications that shaped evidence-based K-12 policy; Secured local and national grants to fund educational research and program development within the College of Education; Co-designed and co-lead a year-long professional development series for 100+ educators, enhancing equity-focused teaching and support for diverse student needs; Partnered with an alternative high school to revise Career Technical Education (CTE) curricula, aligning student interests with local industry needs.

**2016 – 2018**    **The Universities at Shady Grove (Rockville, MD):** *Student Success Coordinator:* Led recruitment, advising, and case management for multicultural, first-generation transfer students in the Achieving Collegiate Excellence and Success (ACES) Program; Implementing retention best practices that resulted in a 96% degree completion rate and 84% job placement/graduate school enrollment; Partnered with university services, community organizations, and Maryland state universities to provide academic and career workshops, monitor student progress, and promote bachelor's programs; Conducted workshops for families and community stakeholders to enhance awareness of the affordable college pathways options available at USG; Developed and executed

program evaluations, leveraging assessment data to refine initiatives and report outcomes to stakeholders through detailed reports and infographics; Revamped the summer bridge program for high school seniors by incorporating career exploration and professional development, while training 50+ staff facilitators to enhance program delivery.

- 2014– 2016     University of Maryland, College Park: Graduate Coordinator for Black Student Involvement and Community Advocacy (part-time):** Connected students with campus resources to support their academic and extracurricular success, providing one-on-one advising and launching a bi-weekly informational e-newsletter; Organized culturally responsive campus-wide initiatives that fostered student leadership, professional development, and community engagement, including leading the campus-wide planning committee for Black History Month programming; Designed and facilitated a leadership workshop series tailored for emerging student leaders, equipping them with practical skills for academic and career growth.
- 2012 – 2016     Crittenton Services of Greater Washington (Silver Spring, MD & Washington, D.C.): Youth Development Coordinator:** Designed and implemented college and career readiness curricula for high school girls of color, integrating trauma-informed pedagogy to foster resilience and academic success; Facilitated in-school youth development programs, focusing on self-advocacy, reproductive health, goal setting, and career exploration; Organized work-based learning experiences, including interview prep, college tours, job site visits, and job shadowing to expand career exposure; Led staff training sessions to ensure culturally responsive and inclusive program delivery across multiple sites; Conducted research on challenges impacting teen girls and young mothers of color, resulting in youth-led initiatives and successful policy advocacy efforts; Managed budgets and logistics for enrichment activities, coordinating events that increased access to higher education and workforce pathways; Built strong school and community relationships, connected students to academic and social resources, and conducted field research to expand youth services in high-needs communities.
